Diploma of Leadership & Management

BSB51915

This program is aimed at Managers and Business Leaders in general. People must be in a role where they can demonstrate responsibility for team or business unit performance. They should be self-directed and autonomous, working under a broad set of guidelines.

The program aims to help participants to:

- Develop the capabilities required to operate at an advanced level;
- Deliver quantifiable organisational improvements through Strategic Workplace Improvement Projects;
- Determine ongoing professional development needs and take ownership for self-development; and
- Take responsibility for managing self and team to achieve workplace challenges and outcomes.

This program would suit all managers & leaders. It is highly valued by organisations in both the public and private sectors and is delivered online, flexibly, with workplace application and business improvement initiatives meaning that you can continue in your current role as you study.
