Diploma of Project Management

BSB51415

This program is aimed at Project Managers who apply project management skills and knowledge. Participants must have project leadership and management roles and are responsible for achieving project objectives. They should be able to initiate, plan, execute and evaluate their own work and/or the work of others

The program aims to help participants to demonstrate their role / responsibility as a project manager and / or leader of a complex project. A complex project is defined as a project which involves:

- the need for a comprehensive and multi-faceted project plan
- the need for a formal internal or external communications strategy
- a dedicated and diverse project budget
- multiple administrative components
- multiple operational components
- a wide range of stakeholders
- a project operations team

Australasian Leadership Academy is an AIPM Endorsed Course Provider for the Diploma of Project Management and offers concurrent assessment for RegPM Industry Certification for eligible participants.
