Once completed the **Candidate Declaration**, your assessor will review and verify your evidence, ready for final assessment. If there are any gaps, they may also require some additional knowledge questions for you to elaborate on or additional evidence.

STEP 5 COMPETENCY CONVERSATION & FINAL ASSESSMENT

NB: Payment must be made before final assessment / competency conversation - Your receipt will be available on the portal to download on payment.

Assessor Verification – Ready for Final Assessment (office use only)

After review of your Workplace Evidence, your Assessor will contact you to arrange a suitable time to participate in a **Competency Conversation** to elaborate on your evidence. This conversation allows you to demonstrate your underpinning skills and knowledge of the competencies and how you apply them in your workplace.

If any additional evidence is required, or any gaps identified, these will be discussed during the Competency Conversation. You will have time to re-submit these or discuss next steps for further training options to fill in any gaps.

STEP 6 RESULTS

After your final assessment, the Assessor determines whether or not you are competent. If you are deemed “Competent” for the unit(s), you will not be required to submit further work FOR THE APPROVED UNIT(S).

If you are deemed “Not Yet Competent”, your Assessor will discuss further options with you that may assist you in achieving competency.
